

# THE HAMLIN HERALD

IN 33RD YEAR—EVERY WEEK SINCE 1905

HAMLIN, JONES COUNTY, TEXAS, FRIDAY, AUGUST 12, 1938

NUMBER 41

## ∴ Agricultural High Lights ∴ In Jones County

(By G. D. Triplett, Sec'y Anson Chamber of Commerce)

"Save that feed, Mr. Farmer," will be the theme of a campaign to be waged for the next several weeks by the Anson Chamber of Commerce through its Agricultural Committee composed of Knox Pittard, J. J. Steel, Murry Hudson and Floyd Lynch.

During the campaign every possible means will be used to urge the farmers of the county to take care of the enormous feed crop. For it may be but a short year—or a few years—when this year's feed, if properly cared for, might be the means of preventing the sacrifice of livestock.

Not only might it be used in years to come but the farmers will be urged to market it through the livestock way, by feeding to cattle, horses, mules, hogs and chickens. By using this method the farmer will find it much more profitable than by selling on the present market or letting it go to waste.

At a very low cost, trench silos can be built that will hold many tons of feed stored therein for later use. Not only can the crop be marketed through feeding of livestock for the markets but by the cream and milk route, silage makes an excellent dairy feed, increases milk production, thereby enabling the farmer to sell more whole milk, cream or butter. More butter, milk and cream sales means that a large number of farmers in the county can pay all their living expenses while making their crops.

Make the cow, hog and livestock and this year's feed crop work for several years for you by saving this year's feed crop.

### OLDEST TERRACES

J. W. Ezell, Hamlin, has one of the oldest terraces in Jones County, lines were run by the first county agent, Mr. Masterson. The county agent ran lines over the level sections of the field but stopped at a gullied sector, however, at Mr. Ezell's request ran lines over the gullies, terraces were built which were over waist high to a man and today this part of the field is level and very productive.

### DAMS THAT ARE DAMS

One of the biggest dams in the county, for ranches, is that built on the ranch near Hamlin owned by Fred Britton and Dick Lowe. Construction of the dam on their 6,000 acre ranch required 5,187 cubic yards of dirt and the water covers between four and five acres.

Prior to January 1, this year, twenty-five spreader dams have been built in Jones County, according to County Agent Floyd Lynch.

## Ex-Marine Evangelist

NOBLE E. BERRYHILL

The Nazarene Church, at Mt. Zion, 10 miles west of Hamlin, has secured the services of Evangelist Noble E. Berryhill, an Ex-Marine, to conduct a revival meeting STARTING SUNDAY, AUG. 14. The meeting will continue for two weeks, according to the pastor, Rev. J. C. Allen.

Good singing, good music will be heard at every service, 11 A. M. Sunday and at 8:00 o'clock each night.

### SOME OF THE SUBJECTS

"The Signs of the Times."  
"The Very Last Sign of the End of This Age."  
"The Bugle Call."  
"The Dying Gangster and What Happened."  
"Three Hells, Where Are They?"  
"The Sin God Will Not, and Cannot Forgive."

Make your arrangements to hear Evangelist Noble Berryhill as many times as you can. Tell your neighbors. Everybody has a cordial invitation.

Early Sunday morning, Mrs. A. G. Hudson and son, A. Hudson and family, and daughter, Miss Pearl Hudson and daughter-in-law, Mrs. M. T. Hudson, left for the happy fishing grounds around Black Lake Louisiana. They went to fish where there are fish. Mrs. M. T. Hudson was to go only as far as Gilmer where she was to visit her sister, Mrs. Binion.

Mrs. Homer Massey of Dallas is spending several weeks with her father, W. L. Walton, and she is also enjoying a visit of her sister, Mrs. Alton Stovall of Borger.

Mac Brundage, president of Hamlin Rotary Club, and Arthur Albritton went to Plainview Sunday to be on hand for the Rotary official conference in that city on Monday.

## W.C.(COKE) TIDWELL DIED TUESDAY NIGHT

Monday morning about 10:30 Coke Tidwell, a prominent farmer of the Neinda community, who had been ill perhaps about four months, but not thought dangerous, became very ill suddenly, and was rushed to the Hamlin Hospital for treatment. He remained conscious most of the time and talked with his wife and children, till death came at 10:50 P. M. Tuesday.

W. C. Tidwell was better known as "Coke," was born at Meridian, Ky. November 24, 1892. He was a son of the late J. F. Tidwell, and came to Texas with his parents at age of 8 years. He was married to Alma Beavers, a daughter of Mr. and Mrs. Fate Beavers. He is survived by the wife and two daughters, Loveda, age 21, and Anna Beth, age 17, and one son, W. C. (Dub) Tidwell, age 19. Also two brothers and one sister survive, Mitt Tidwell and James T. (Pete) Tidwell, and Mrs. Barney Beavers, all of Hamlin.

After Mr. Tidwell's health became bad, it is reported because of a nervous trouble, and during the past month had taken treatment and minor operations at a hospital. The family knew that his case was serious and gave him close attention.

Funeral services were conducted at the Ninda Baptist Church, Wednesday at 3:00 P. M., Aug. 10 by Rev. N. J. Webb of Lamesa. The body was in charge of the Barrow Funeral Directors, of Hamlin, and interment was in the Neinda Cemetery.

## SERVICES CHURCH OF CHRIST, SUNDAY

You are invited to hear Virgil W. Jackson, minister, discuss "Social Religion" at Church of Christ, at 11:00 o'clock Sunday, August 14. A lack of proper social attitude is a big hindrance to the progress of Christianity.

Beginning August 17, and each following Wednesday evening at 8:15 we shall conduct a survey of the entire Bible. You are invited to bring notebook and join us in this study. We shall entertain questions from the audience as we proceed.

Thanks,  
VIRGIL W. JACKSON.

Mrs. Bowen Pope and daughter, Miss Doris, are visiting on the plains this week. Mrs. Pope is stopping at Tulla to visit with her mother, Mrs. J. J. Sigler, while Miss Doris visits part of the time with a former classmate near Claude and with her uncle in Amarillo.

Miss Lennie Greenway left last Sunday on an extended vacation. The Herald folks and Miss Greenway were seen boarding a train at Sweetwater Sunday and perhaps Miss Lennie will spend part of her time in Plainview and before returning will be in attractive points farther west. It is appropriate here to tell on Miss Greenway. She is one of the pioneer banking women in Texas. Twenty years ago Wednesday, August 3, she started her banking career with the First National Bank of Hamlin and later became an assistant cashier. When the F. & M. purchased the First National she became one of the chief personages in the enlarged F. & M. Bank. Her vacation is to be longer this summer.

Miss Wilba Lee Vick of Breckenridge, was over last week visiting her sister, Mrs. J. D. Burk.

## HAMLIN-ROTAN ROAD READY FOR START

Surveys, land titles for right-of-way and all details have been completed for the start of the Hamlin-Rotan highway, which will be known as No. 92, a continuation of the Hamlin-Stamford road.

This is a \$123,163.34 Works Progress administration job, for grading and drainage structures, under the direction of Division Engineer S. J. Treadaway of the highway department.

This road work starts 5 miles east of Rotan and ends at the main street paving in Hamlin, a distance of 14½ miles. The west end five miles was done some time ago under a county WPA project.

Completion of this section of road will mean much to Hamlin and Rotan and all Fisher county.

## HAMLIN MEN ATTEND SALES CRUSADE MEET

Friday night of last week a number of Hamlin men, including W. E. Benson, Tom Teague, Earl Smith, Tate May, Cliff Reynolds, Paul Bryan, Tom Williams, W. A. Albritton, Clarence Bailey, Ted Russell, Bowen Pope, and perhaps others, went to Sweetwater to see what was meant by the "National Salesman Crusade."

The business firms of Sweetwater, about 200, all joined heartily in the parade and there was evidence of universal interest.

The program was in the High School football grounds, under the great flood lights, in the open breeze. The chief feature was an address of one W. E. Billheimer of Fort Worth. He did the salesmanship job up in the greatest fashion. Anybody who offers to sell something should be glad to hear such an address. The talking point was "Sales Mean Jobs." When one stops and thinks of that statement he soon realizes that one drawing a salary for service will sooner or later lose his job if he fails as a salesman. Hence the importance of getting all the pointers possible to improve salesmanship.

Miss Geraldine Elliott has been visiting her aunt and uncle, Mr. and Mrs. Roy Elliott, in Lockhart, Texas. She also went through the state capitol. Her aunt, uncle and son returned home with her for a few days visit.

Kurt Schoemann, manager of the Strauss Dry Goods Co., left Saturday for New York markets to purchase their line of fall and winter merchandise.

## HAMLIN SCHOOLS OPEN SEPTEMBER 5

The Hamlin School Board in regular monthly session last Tuesday authorized the opening of the Hamlin school on Monday, September 5, for the next regular session.

All pupils below the high school department with the exception of the high seventh should report to the elementary school for enrollment and all others should report to the high school building. (Further announcements Aug. 26.)

## COACH MARSHALL ON THE GROUND

Coach Jimmy Marshall, of Comanche arrived in Hamlin Sunday ready for his duties as Hamlin High Coach this year. By way of introductory, we will tell you that Marshall is a graduate of the Brownwood Howard Payne College, graduating in 1937, and coached last year in the Stephenville High School. He just closed a special coaching school in Texas Tech last week.

Mrs. Colquitt Finley and daughter, Mrs. Abb Harrison of Cartersville, Ga., came up Sunday to visit her brother, W. L. Walton and family. This is Mr. Walton's only sister. While here they will visit their only brother, J. B. Walton and family near Kermit.

## City of Hamlin Budget Set-up

AN ORDINANCE ENTITLED AN ORDINANCE MAKING APPROPRIATIONS FOR SUPPORT OF THE GOVERNMENT OF THE CITY OF HAMLIN, TEXAS, FOR THE FISCAL YEAR BEGINNING APRIL 16, 1938, AND ENDING APRIL 15, 1939, AND DECLARING AN EMERGENCY.

## THE MEANEST MAN

Maybe it was not a man, but clearly a person... who is the meanest man? The Herald man located the meanest man this side of Hades last Sunday afternoon. He, she or they were on the high road between Sweetwater and Roby, out there on the hills where the sun was boiling down good and hot. We noticed a car stopped off the road a long ways ahead; finally it started and we noticed a small object running down the hot road, for dear life... closer it proved to be a little white "girl dog" which evidently had been loved and petted while little and now that it was grown up it was not wanted but loved too much to kill... so the thing to do was to dump it out on the high hill road to die or be given a home in a nearby farmer's yard... Yes that was mean.

We bet there is a "dog heaven" somewhere and if there is it would be too good for the man who dumps a dog out on somebody to die of thirst or starve... that little white "girl dog" will probably look for many days for "her car" feeling that maybe they did not mean to treat her wrong... no human has the forgiving heart that a dog carries.

## STOPPING OUTSIDER

### ADVERTISING RACKET

Until this year Hamlin merchants have allowed themselves to fall a prey to a certain kind of advertising racket... the church song book racket, the fan advertising racket, the football blotter racket, the curtain advertising racket, and on and on the list could go.

The way this is often worked: the party will come into town and pick some good talking girl or woman to do the soliciting, being paid but a small fee. This makes it look local. Or perhaps the "foreigner" will tell the Hamlin merchants "it is for the churches" or, its for this or that which knows nothing about it. Everybody likes to get behind the football boys and this is a fine chance for the outsider to pull off a few dozen dollars from the merchants charging them about three or four times what should be to get three lines on a blotter.

This is headed off now by a committee who is appointed to "pass" on the proposition. Local people, however, do not have to get an OK to solicit, if its done strictly on a home enterprise.

## NEW OFFICERS WILL

### LIKELY TAKE NEW OATH

Texas newspapers are carrying a proposed Constitutional amendment, these days, and one of them is concerning the oath of office. It is a "streamlined oath" in keeping with this streamlined age. The oath of office now in effect is a long, cumbersome affair, dealing in many words concerning whether he or she has ever engaged in a duel contest, directly or indirectly, and a lot of stuff like that, that prevailed in the olden days. It is up to the people to vote it out in accepting the following proposed oath:

Section 1. That Article XVI, Section 1, of the Constitution of the State of Texas be amended to hereafter read as follows:

"Article XVI. Section 1. Official Oath. Members of the Legislature, and all officers, before they enter upon the duties of their offices, shall take the following Oath or Affirmation:

"I, \_\_\_\_\_, do solemnly swear (or affirm), that I will faithfully execute the duties of the office of \_\_\_\_\_ of the State of Texas, and will to the best of ability preserve, protect, and defend the Constitution and laws of the United States and of this State; and I furthermore solemnly swear (or affirm), that I have not directly nor indirectly paid, offered, or promised to pay, contributed, nor promised to contribute any money, or valuable thing, or promised any public office or employment, as a reward for the giving or withholding a vote at the election at which I was elected. So help me God."

In all the years past, it was a common thing to see grins on the people's faces as the old dueling feature of the present oath was being

taken. It would appear that there were plenty of "mental reservations" during that tense moment. In the solemn hour when the "First Woman Governor" took her oath, the serenity of the occasion was broken when she declared that she had never fought a duel, or played the part of a second to a duel. Well, folks, it's time to "cut it out," and this is one Constitutional amendment that you can vote for and not have an extra cost piled upon you for it.

## YOUR FIGHT

For the first six months of this year, the direct fire loss in America totaled \$151,207,000, which marked a small advance over the same period in 1937.

The indirect loss is many times as great. If that is figured in, to get a true picture, the total loss for the year will probably be in the neighborhood of a billion dollars.

That money has been destroyed completely. There is nothing left of it. And at least 80 per cent of the destruction was unnecessary. It was the result of carelessness, ignorance or criminality. Somebody took a chance—somebody forgot something—and fire resulted. And lives and dollars went up in smoke.

That billion dollars would employ a million men at salaries of a thousand dollars a year. It would build 100,000 miles of highway at a cost of \$10,000 a mile. It would build 200,000 homes costing \$5,000 each. It would buy considerably more than a million \$800 motor cars. It would supply 10,000,000 people with \$100 worth of clothes each. It would pay for college educations for several hundred thousand young people.

It is things such as these that fire destroys—and that is the proper way to value our fire waste. Fire doesn't simply burn down a building which can be replaced with the insurance money. It deprives men of jobs and opportunities. It takes away tax revenue from communities. It ruins productive commerce and industry. It takes valuable resources and leaves ashes and debris in their place.

The fight against fire is every citizen's fight. It is in every citizen's interest, whether he owns a piece of tangible property or not. And it deserves and must have every citizen's active support.

## PRESIDENT

MARY WHATLEY DUNBAR

Today, Friday, Aug. 12, the West Texas Press Association is meeting in the city of Seymour, with a woman publisher as president.

Not all West Texas newspaper men and women attend the annual convention, but this year Seymour will have all or more than she can handle during the two days.

## SPECIAL NOTICE

From time to time the Herald gets local news items through the mails and we thank every one who tells of personal coming and going, or anything of general interest... But when something is mailed or left sticking in the door some name should be signed to it so we could have some one to vouch for the accuracy of names and statements. Don't forget this.

# SIMPSON GRO. & MARKET

The Herald has a letter from Grandpa G. R. Gilliam, who is on the I. C. R. mail route out of Brownwood. He says: "Please find enclosed 50c. Please change my Herald to the above address," and he also puts in a word for his wife who says: "We just can't get along without our little home paper, when away from home. It keeps us posted on what's going on in Hamlin and surrounding territory." Thanks folks.

## GRATEFUL APPRECIATION

Mr. and Mrs. Frank Hamrick, of Vivian, La., came up last Saturday to visit Mr. and Mrs. J. M. Stubbs. These two boys grew up in Hopkins county and this visit helped them renew boyhood history around Miller Grove, and other points noted for all day singings and big dinners. Hamrick is connected with the Louisiana highways. He says Texas has the most roads, the best and the longest of any country in the world... and as for crops, he says he never saw anything as pretty as now prevails in Jones county. It is clear a man may work in some other state but he still loves his boyhood Texas.

# MISS PAULINE CARMICHAEL WEDS AN ABILENE MAN

The First Baptist Church of Hamlin, Saturday evening, was the scene of the marriage ceremony that united Miss Pauline Carmichael of Hamlin and Mr. Jim Howard King of Abilene. Rev. J. Henry Littleton, pastor of the church, officiated in the service.

The altar was adorned with garden flowers and ferns and as the couple took their wedding vows, Mr. Forrest Greenway, pianist, played "Indian Love Call." The pre-nuptial solo, "I Love You Truly," was given by Mrs. Art Carmichael, sister-in-law of the bride, with Mr. Greenway as accompanist. The Wagner wedding music was used as processional.

The bride wore a frock of teal blue alpaca wool sheer, with satin louse and bolero trimmed in peasant embroidery. Her accessories were in dahlia, and her flowers were gladiolus roses. The matron of honor was the bride's sister-in-law, Mrs. Stanley Carmichael, wearing a navy blue tailored suit with dubonnet accessories and a corsage of white carnations. Mrs. Art Carmichael wore a frock of powder blue with dusty pink trim and accessories and a corsage of pink carnations. Tindal of San Angelo was best man.

Following the service, a reception was held at the home of Mr. and Mrs. Stanley Carmichael. Garden flowers featured in the decorations with roses and ferns about the punch bowl to center the refreshment table. After the reception the couple left on a wedding trip to points in Texas, the bride wearing a black and white costume, with black accessories. Returning, the couple will make their home in Abilene.

Mrs. King is a daughter of Mr. and Mrs. Roy Carmichael of Hamlin, a graduate of the Cross Plains High School and later an attendant at a business college in Abilene. She is prominent in Hamlin church work and social circles.

Mr. King is a son of Mr. and Mrs. L. King of San Angelo, formerly student in Sam Houston State Teachers College. He is employed at the Abilene Supply Company.

# MARRIED LAST WEEK

The Herald received a little information last week about the marriage of Mr. Cline C. Peterson and Miss Geraldine Simpson, but too late to get it in that issue.

This is a Plasterco couple, who were accompanied by Mr. and Mrs. Ewing to the home of Rev. Hanks, the Methodist pastor, and were married on Tuesday evening of last week.

# PRACTICAL POINTS FROM THE KINGS DAUGHTERS

Any class is interesting if you take an interest in it.

The things that make for peace do not include alcohol, opium, or nicotine.

In the great plan of life there is a place of service for each of us.

Good news travels as fast as bad, but with less noise.

# HAMLIN BOYS WIN ARMY SILVER MEDAL

C. M. T. C. HEADQUARTERS  
Publicity Office  
Ft. Sill, Oklahoma

FORT SILL, Okla., Aug. 3—Winners of the Citizen's Military Training Camp athletic awards were announced today, the last day of the 1938 encampment, by Major Ralph C. Smith, camp commander.

J. I. Steed, of Hamlin, Texas, was a member of the team which placed 1st in the 200 yard relay event at the camp swimming meet. He was awarded a silver medal at the regimental parade yesterday.

B. Locke, Hamlin, Texas, was awarded a silver medal at the close of Citizens' Military Training Camp here today for second place in the 220 yard low hurdles.

The Citizens' Military Training Camp, with its 1,020 enrollees from Oklahoma and North Texas, was closed for the year 1938 on Wednesday morning, August 3. The camp, which has been running since July 5, was commanded by Major Ralph C. Smith, 29th Infantry, regular army.

Tuesday morning the final athletic event, a camp track meet, was held. In the afternoon, the honor-winning trainees were awarded their hard-won athletic and military prizes at a regimental parade.

Wednesday morning, after a hearty breakfast, the enrollees were processed, given their civilian clothes once more, and with a liberal transportation allowance in cash, were started homeward. Each trainee was presented with a copy of "The Tumbleweed," a souvenir publication of the camp.

The health of the enrollees has been especially good during this encampment. An interesting highlight was disclosed in the final medical report. Approximately 300 of the trainees were under the minimum weight for their height when camp opened. Given extra nutritious food, these boys put on an average of 6.5 pounds in the first two weeks. The average gain in weight for them in the month was 9 pounds. One underweight trainee gained 18 pounds in the four weeks he was here.

Camp officials agreed that this was one of the largest, and most successful encampments, from health and training standpoint, ever held at Ft. Sill.

Major Smith, in his closing remarks to the trainees, gave much credit for the success of the camp to their fine spirit, and to the three groups of reserve officers who were on active duty during the months.

Mr. and Mrs. R. B. Wiar visited the Shell Station last week end, at Westbrook, Texas.

Miss Kate Smith of Clyde is at the L. B. Pribble home and will assist Mrs. Pribble in the flower shop. Miss Smith has had extensive experience in floral work.

# DIRECTS WPA

H. P. DROUGHT  
Works Progress Administrator

SAN ANTONIO, Aug. 7—Expenditures of \$113,285,883 on Works Progress Administration projects in Texas were detailed today by State Administrator H. P. Drought in a report covering the three fiscal years in which the Federal agency has operated.

Cooperation between Texas cities, counties, and independent school districts, whose share of the total cost was \$28,121,525, and the Federal government, which contributed \$85,164,358, has made possible the operation 6,703 works projects during the past three years, Drought stated.

Since a handful of workmen on the freshly-turned earth of an emergency spillway at Lake Trammel near Sweetwater on September 20, 1935, to receive the first WPA paychecks delivered in Texas, hundreds of thousands of men and women have performed 2,050,116 man-months of labor on Federal projects. For these services they have received \$68,610,004 disbursed in the form of subsistence wage checks.

WPA employment which today is slightly in excess of 85,500 and, in light of previous experience, is expected to rise sharply during the coming winter months, has fluctuated in Texas from a peak of 125,827 persons at work in February, 1936, to a low of 41,228 workers in October, 1937.

Designed to fit the varied skills of jobless thousands scattered throughout rural and metropolitan areas of all but two of the 250 Texas counties, WPA job assignments have varied from the manual labor involved in digging drainage ditches and building farm-to-market roads to such highly technical tasks as the surveying of millions of acres of Texas farm and ranch lands for the Texas State Tax Board.

Improvements to roads, streets, and highways, involving expenditures of \$47,154,668, form the largest group of WPA projects. Operation of sewing rooms in which women workers produce millions of garments annually for distribution to the underprivileged has been financed by expenditures of \$19,166,592. Hundreds of public buildings, including schools, gymnasiums, auditoriums, and similar structures, have been erected through expenditures of \$9,310,506.

Other types of WPA work and the amount expended on each were listed as follows: Construction of parks, athletic fields and similar recreation facilities, \$6,030,768; building of dams and other conservation projects, \$3,749,862; installation of sewer lines, water lines, and other public utility improvements, \$6,889,950; construction of aviation facilities and other transportation projects, \$1,394,839; conducting of adult education classes and nursery schools for underprivileged children, \$2,892,772; professional and service projects, \$7,417,183; conducting of municipal recreation centers, \$1,220,557; community sanitation and public health improvements, \$4,696,362; distribution of surplus commodities, \$1,519,969; operation of canning plants, \$1,735,188; miscellaneous projects, \$106,307.

Mrs. Ethel Saunders and her brother Spurgeon King and Miss Lillian Owen are back from a trip in Arizona.

Mrs. Alice Richardson is visiting in San Marcos for a few weeks.

Mr. and Mrs. O. G. Harvey and daughter, Beverly Ann, returned last week from a visit in California.

**Texas**  
at her finger tips  
...ready  
for your call

AT the finger tips of your telephone operator stands many million dollars' worth of equipment in Texas . . . buildings, switchboards in 315 offices; two and a half million miles of wire . . . ready day and night to carry your voice the length and breadth of Texas, and beyond.

Last year it took more than 23 million dollars to operate this system for you. Part of this was for materials and supplies. More than four million dollars went for local, state, and federal taxes, to help pay for your roads, schools, police protection, and so on. More than 11 million dollars for wages, to nearly 9,000 workers who are your neighbors in Texas, and who spent that 11 million dollars in this state . . . no small item in keeping Texas business moving.

The telephone company, like the men and women who operate it, is a part of Texas. Its investment here has been made to meet this state's need for friendly, dependable telephone service. It serves its own interests best by giving you the service you want, at reasonable cost to you.

## McCAULEY MATTERS

By JOHN P. HARDESTY

Mrs. Levi McCollum and daughter, Mary Ann, are visiting relatives in Alabama for several days.

Mr. and Mrs. C. P. Yates, Mrs. L. C. Yates, and Mrs. N. D. Miers were called to Dallas to the bedside of Miss Annie Yates who was seriously injured while driving home from town in a car with her sister, Alice Yates, and a friend, Miss Verda Holland. Last report indicates that she will be in a cast for some twelve weeks.

Mr. and Mrs. B. Poindexter of Clyde, newly-weds, were visiting Mrs. Poindexter's mother, Mrs. Alice Hopkins and family, last Saturday and Sunday.

Egbert Dick, prosperous young farmer of the Avoca community, Jones county, attended services here Tuesday and was a dinner guest at the Edwin Johnson home, along with his father, Rev. C. E. Dick, who is conducting the Baptist revival, and pastor and Mrs. Hardesty.

A postnuptial wedding gift shower was held at the Baptist church last Saturday afternoon, honoring Mrs. B. Poindexter, the former Emma Hopkins, who is a recent bride. A large number of guests registered and many useful gifts were made.

The McCauley community welcomes back as neighbors the Cloyce Jones family. They moved back from Crowell where Cloyce has been employed by International Harvester Co. Cloyce is back on the job as proprietor of the J. and J. garage.

Chester Johnson, teacher in the public schools of Young county, near Loving, visited his father, J. M. Johnson and other relatives, last week end.

Rowland Stephenson, son of Mrs. W. H. Stephenson, and a teacher in the Tucumcari, New Mexico, schools, is visiting his mother and other relatives for a few days.

Mr. and Mrs. Eugene McCloud, who have been visiting with Mrs. McCloud's parents, the M. L. Akins, left Tuesday for their home on the plains.

The Methodist congregation is putting a new roof on their church building. The recent hail storm made this improvement necessary.

Mr. and Mrs. J. H. Milsap, Bill Milsap and Mrs. John Shelley attended the funeral of Amos Weldon Rhodes, age 8, nephew of Mr. Milsap, at Tell, last Sunday. The little boy died Saturday. John Miles and son, Joseph, accompanied them on the trip. Burial was made in the Tell cemetery.

Mr. and Mrs. Fred Maberry have moved to Roby. Fred is manager of a gin for Anderson-Clayton & Co.

At a meeting of the school board Tuesday afternoon Miss Crabtree of

Roby and Roy Hennington of McCauley, were elected to positions in the local school. Miss Crabtree will teach English in the high school and Roy will teach the sixth grade in grammar school, the place he had last year.

The Baptist revival will close Sunday night. The Methodist revival will begin the third Sunday, with the Rev. U. S. Sherrill of Knox City, assisting Pastor J. R. Bateman.

The Fisher County Baptist Association will hold its annual session at McCauley August 29-31. The W. M. U. will have their session on the afternoon of the 29th.

**MEETING AT NEINDA STARTS  
FRIDAY NIGHT, AUG. 21**

The Baptist meeting at Neinda will begin Friday night before the third Sunday in this month. Every one has a cordial invitation to attend. Bro. J. W. Cundieff Sr., of Mineral Wells will help in the meeting.

M. H. CASTLEBERRY.

Mr. and Mrs. Albritton and their relatives got their coming and going all mixed up during the past week end. In the first place Arthur left Sunday afternoon for a Rotary meeting in Plainview, and after he left a car load or two of Louisiana relatives came in, including Mr. and Mrs. G. A. Foster and son George Jr. and daughter, Miss Joe of Pollock, La., and then there were two other sisters of Mrs. Albritton, in the crowd, Mrs. Celia Hyde of Crowley, La. and Mrs. Leona Gibbs of Shreveport, La. and these were accompanied by Mrs. H. D. Pardue, the mother, and Mr. and Mrs. Jim Malone, a daughter of Mr. and Mrs. Foster. So when Arthur arrived from Plainview late Monday he found plenty of company, even his daughter, Miss Geneva, had returned home from Port Arthur after a two weeks visit with her sister, Mrs. Roland. Now to complete this item all the Louisiana folks left early Tuesday for the mountains of Colorado, accompanied by Miss Geneva Albritton.

L. F. Fannin and wife and grandson, Windel Fannin of Odell, Texas, came down for the past week end to visit Mr. and Mrs. Walter L. Cash. Mr. Fannin is section foreman at Odell, up on Red river, but he still likes to come down and view the track between Hamlin and Sargent.

Mr. and Mrs. Pat Marlow and little son, Don G., are back in Hamlin after a three weeks stay in Stamford. Pat has been pinch hitting in the Stamford Safeway, and from what we hear, he had better stay over in Hamlin because that smile and red head has been greatly missed.

## HANG THIS ON YOUR STEERING WHEEL

State police traffic experts have devised a questionnaire from which drivers may determine their individual qualifications for operating vehicles in a safe manner.

Ten questions relating to basic causes for most accidents on streets and highways were listed by traffic officers so that drivers may correct their errors. Each question counts 10 points if answered in the affirmative, with 10 points discount for negative answers. If your grade is between 90 and 100 you may consider yourself an excellent driver. A grade between 80-90 classes you as a "fairly good" driver, but if your grade is below 80 you are a menace to traffic safety and should correct your faults, state police warned.

The questions are:

1. DO YOU use proper arm signals when turning or stopping?
  2. DO YOU always drive within legal speed limits?
  3. DO YOU always refrain from passing other vehicles on hills or curves?
  4. DO YOU bring your vehicle to a complete halt at traffic STOP signals?
  5. DO YOU observe right-of-way rules at intersections?
  6. DO YOU always park your vehicle so that it does not obstruct traffic?
  7. DO YOU dim your lights at night for oncoming vehicles?
  8. DO YOU always drive on the right side, not too near the center strip?
  9. DO YOU regularly inspect lights and other mechanical parts of your vehicle?
  10. DO YOU drive in the same manner under supervision of a traffic officer as you do when he is out of your view?—State Police.
- QUESTION: What two men in Hamlin drive on the "left" side of the road? Even at night?

**PASTOR FOR 1,000 WEDDINGS  
PROPOSES 10 COMMANDMENTS**

PITTSBURGH, Pa., Dr. Bernard C. Claussen, who married 1,000 couples as pastor of the First Baptist Church here, has drawn up "Ten Commandments" for Marriage as follows:

1. Simplify your life. Get along with as little money as possible.
2. Set aside time for quiet together. Do not let life tire you. Manage your hours.
3. Never let a lie last an hour between you.
4. Quickly forgive.
5. Share all joys and disappointments. Do not protect each other from bad news.
6. Cultivate complete candor and frankness.
7. Know everything you can about life together. Read books, consult the experts. Ignorance is not innocence.
8. Audit the books together. Marriage is a financial partnership and allows no fiscal secret.
9. Never think of marriage as tentative. It is your career. Make it a lifetime project.
10. Base it on religious fellowship. Mixed marriages fail only because they lack unity of religious life.

Mrs. Earl Smith and daughter, Miss Twial Ruth, are visiting relatives in Fort Worth and Cleburne this week.

Mr. and Mrs. Fred Carpenter and son, Tommy, are "somewhere" in Old Mexico on their vacation, as revealed by a card to the York Stores.

### NOT MUCH DIFFERENCE

A stranger said to the farmer's boy across the fence, "Young man, your corn looks kind o' yellow." "Yes, that the kind we planted." "Don't look as if you'd get more'n half a crop." "Don't expect to. The landlord gets the other half." "Boy," said the stranger after a pause, "there isn't much difference between you and a fool." "No," replied the boy, "only the fence."—Wall Street Journal.

### WHAT A PARTY

A teacher was correcting a boy who had said: "I ain't going there." "That's no way to talk. Listen: I am not going there; you are not going there; he is not going there; we are not going there; they are not going there. Do you get the idea?" "Yes ma'm. They ain't nobody going."
